

Moxi® Mate

Moxi® Mate High-Definition Digital Media Player

Product Highlights

- More Rooms for Less Money
- No Monthly DVR Service Fees
- Same Content as the Moxi HD DVR
- Easy Ethernet-Based Connectivity

The Moxi® Mate is a small, silent High-Definition Digital Media Player that allows consumers to extend their Moxi HD DVR experience into another room in a cost-effective way. The Moxi Mate provides access to the same content as the Moxi HD DVR, including the same selection of recorded content, Internet services, and content from home computers. Paired with a Moxi HD DVR on the home network, the Moxi Mate provides:

Features

- Recorded TV Access – The Moxi Mate provides access to the same recorded TV as the Moxi HD DVR; no need to set programs to record twice. Start a program in one room and resume it in the other.
- Award-Winning UI – the Moxi Mate has the same great Emmy® Award-winning interface as the Moxi HD DVR.
- Internet Content – Access to web-based content and services like Flickr™ and Rhapsody®, and via PlayOn™ media server software, Netflix®, Hulu™ and YouTube™ - all delivered to the HDTV.
- Internet Browsing – Moxi SuperTicker™ makes it easy to keep an eye on the news without leaving the TV program. With MoxiNet, browse your favorite websites or access news and entertainment sites.

- Media Link – With the use of any DLNA server software running on a computer connected to the home network, the Moxi Mate can access music, photo, and video files from any Moxi or computer on the home network.
- Anywhere Scheduling – Remote Web and PDA scheduling of TV programs. Moxi provides real-time conflict resolution, so recording conflicts can be resolved remotely and immediately without missing a beat.

 - Coax and Optical S/PDIF Outputs
 - 2xUSB 2.0
 - eSATA port
 - 10/100 Mbps Ethernet
- Input Device
 - RC-6 backlit remote control.
 - Front panel controls
- Power Connector
 - 12 VDC (2.5 Amps max)
- Weight and Measurements
 - 9.84"W x 1.77"H x 7.17"D
 - 2 lbs 7 oz

Moxi® Mate Description

The Moxi Experience

The Moxi Mate's user interface is easy to learn and simple to navigate. Consistent navigation helps users browse content without getting lost. In some features, the Moxi Mate provides alternate views for additional choices, including a traditional grid guide for TV programming or a spectacular Mosaic view for photos. The UI's HD graphics make the most of your HDTV.
