

Regal®

Standard Tap Features

Application

Traditional Regal Quality with a History of Performance

Regal is recognized worldwide for quality, performance and innovation. All Regal products are manufactured in ISO 9000 facilities — and each finished product is tested — to ensure quality and consistent performance of all Regal taps and line passives.

Regal Standard Tap Features

Features

1. Epoxy sealed F-ports
2. Neoprene seal on each port
3. Color coded tap value label designed to last for the life of the product
